## Use of Pupil Premium 2014/2015

Pupil Premium funding was introduced by the Government in April 2011. Its primary purpose is to provide additional support for looked after children and those from low income families, with the aim of narrowing the attainment gap that exists between pupils from disadvantaged and more affluent backgrounds (Ofsted 2013).

For the academic year 2014/2015 Pittville was allocated £229,976 Pupil Premium and the school invested this funding in resources and staffing to benefit those students identified as disadvantaged. Our key areas of focus were:

- Tracking and Monitoring
- Attendance and Accessibility
- Curriculum Enrichment, Academic Support and Inclusion
- Enhancing Employability
- Pastoral Support

The impact of pupil premium funding on results is shown in table 2 within this document. This shows the performance of disadvantaged pupils compared to their peers.
