How can parents help?

- Ensure that your son/daughter is properly equipped in terms of stationary eg. pens, pencils rulers, calculators etc.
- Provide a quiet area at home so that homework/revision can be carried out without disturbance.
- Check and monitor homework through the on-line 'Show My Homework' facility.
- Support revision through the purchase of revision guides and where possible the use of IT.
- Keep up with your son/daughter's progress by attending parents' evenings.
