

Pittville School Accessibility Plan

September 2022

Objectives	Actions	Impact	Responsible	Milestones
<p>To ensure that we continue to improve all aspects of the physical environment of the school site, the curriculum and written information so that all students with a disability can take full advantage of the education and opportunities provided by Pittville School.</p>	<p>Case study of students already in attendance and review of access to site and curriculum. Exploration of PE curriculum for learners with a disability – training programme to be accessed. Resources for DT to ensure accessibility. Consultation with Advisory Teacher Service for students with physical disabilities, hearing and visual impairments to ensure that reasonable adjustments are provided and that accessible resources are provided to students in class. Learner Profiles written, updated and circulated by SEND Team include student and parent voice as well as recommended strategies and bespoke outcomes.</p>	<p>The physical environment of the school is accessible to all. Students with a disability can take full advantage of the education and opportunities provided by the school. Individual needs are met successfully in the classroom. Teachers and in class support staff know their learners and plan to meet their individual needs.</p>	<p>EB / AP</p>	<p>Ongoing</p>

Pittville School Accessibility Plan

September 2022
