Dear Parents/Carers

I am writing to make you aware of additional Year 11 Art coursework sessions which are held every week for your child to attend. Every Tuesday and Thursday evening from 3.10 – 4.10pm there will be a GCSE afterschool session specifically for Year 11 to enable students to receive additional support and advice.

I would urge you discuss this opportunity with your child and to encourage them to attend every week. Pupils will begin their Art exam in January your son/daughter will benefit from extra time spent after school improving their coursework folder before the Art exam period begins.

Staff will be available to work with students on a one to one basis and to assist them with any additional work which they can complete to improve their coursework as well as helping them specifically with how they can work to improve their grade.

The time remaining on the course is limited and I would strongly encourage every student to attend these sessions in order to give themselves the best possible opportunity of achieving their potential within their Art and Design GCSE.

Thank you in advance of your cooperation.

Yours faithfully

Miss King  
Subject Leader in Art
