Headteacher Richard Gilpin

26th February 2020

Dear Parents/Carers,

GCSE Geography Fieldwork Spring Term 2020

All students currently following the Geography GCSE Course are required to conduct two pieces of fieldwork, which they will be assessed on in the paper 3 exam in the summer of June 2020. With this in mind on Wednesday 18th March 2020 (students in 11AGE1 – Mr Litherland & 11AGE2 – Miss Iannone) or Thursday 19th March 2020 (students in 11CGE – Mr Watkins) your son/daughter will be out of normal school lessons during periods 3-5.

Students will be undertaking fieldwork at Gloucester Quays to find out whether the urban regeneration has been successful in that location.

The details are as follows:

1. Register as normal and go to periods 1 & 2. Period 3 go to your geography rooms and collect your data collection sheet and clipboards.
2. Depart school at 11:25 on the school minibuses.
3. Return to school for 14:45. Students will leave school as normal.

Equipment needed for the day:

- Normal school uniform. Coat or waterproof but no hoodies.
- Pen, pencil, eraser and sharpener.

A voluntary payment of £2 would be appreciated to cover the running costs of the minibus. This will be added as an item on your PayPal basket.

Yours Faithfully,

Mr F Litherland
Geography subject leader
