Ofsted 2019

This is an excellent opportunity to join a friendly, dynamic school where all can thrive and staff are highly valued.

The Governors are seeking to appoint a dynamic leader of our Science Faculty for April / September 2021. The successful candidate must have a clear vision of how the teaching of science should develop over the next few years and have the passion and expertise to create a curriculum that inspires our students.

The faculty is housed in 6 laboratories and is taught by five full time staff, three part-time staff and supported by two highly effective technicians. The Head of Faculty is also supported by a Second in Science who is currently responsible for Key Stage three science.

The successful candidate will be joining a faculty which has high expectations of the students they teach. The faculty are focussed on and determined to build upon recent developments to ensure that outcomes for students accelerate and rise year-on-year. An ability to work well in a team and demonstrate an innovative and inspirational approach to teaching and learning is essential.

Pittville School is a good 11-16 school situated in a superb setting in the heart of Cheltenham. The school is heavily oversubscribed at Key Stage 3 and the school has seen its first preferences for places rise year on year. We are particularly proud that visitors to our school always comment on the excellent behaviour and attitude to learning exhibited by our pupils. This is a fantastic opportunity to take ownership of a developing faculty and be part of our school improvement journey.

If you are committed and hard-working and want to join us at a very exciting time in our development, please contact: Linda Ferrabee on 01242 524787 or download an information pack from the school's website: www.pittville.gloucs.sch.uk or by emailing jobs@pittville.gloucs.sch.uk

Closing date for applications is 2nd December 2020 at 12:00 midday
Interviews date to be confirmed

Pittville School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. A Disclosure and Barring Service check at enhanced level will be required.
