Pittville School is a good 11-16 school situated in a superb setting in the heart of Cheltenham. The school is heavily oversubscribed at Key Stage 3 and the school has seen its first preferences for places rise year on year. We are particularly proud that visitors to our school always comment on the excellent behaviour and attitude to learning exhibited by our pupils.

As a school we will commit to your future professional development. We offer a training program to all new staff as well as our own INSET program. We are part of a Teaching School Partnership which offers a range of development programs and run our own SEND Network which also provides a lot of high quality training in house. This runs alongside the usual provision of courses, school visits, and local partnerships.

If you are committed and hard-working and want to join us at a very exciting time in our development, please contact: Linda Ferrabee on 01242 548755 or download an information pack from the school's website: www.pittville.gloucs.sch.uk or by emailing jobs@pittville.gloucs.sch.uk
