

Message for Y11 Students 27th November 2020

- Work will be set in accordance with the normal Year 11 school timetable and the expectation is that students attend any live lessons that are provided.
- Should your child not have access to a laptop or suitable alternative device please email Miss Bottell on ebottell@pittville.gloucs.sch.uk
- For students eligible for Free School Meals during the period 1st December to 9th December a Sainsbury's voucher will be issued to your home address to the value of £21 to cover this period. This voucher will be distributed next week, we will send an email via Edulink to notify you when they have been distributed. If you have any queries or do not receive your voucher shortly after the notification please email fsmvouchers@pittville.gloucs.sch.uk.
- Whilst your child is at home, the main platform for remote learning is Showmyhomework which is accessed via <https://www.satchelone.com/login>. In addition, each student also has access to Microsoft Office 365 which is accessed via www.office.com. This is needed for them to access TEAMS and through this, any live lessons. Links to work on TEAMS will also be posted on Showmyhomework. For help logging on and using these packages, please click on the links below:
