

Pittville Parliament

Meeting Thursday 23 May 2019

Present:

Year 7: Abbot – Lydia Dunn **Aston** – Jess Burgess, Sean Omoruyi **Livingstone** – Freya Holmes, Millie Ledamun **Stokes** – Sophie Bevan, Olivia Tucker

Year 8: Abbot – **Aston** Fred Cox **Livingstone** – Paraic Byrne

Year 9: Abbot - **Aston** – Beth Dearden, Charlie Russell **Livingstone** – Jack Hazell

Year 10: Abbot – Millie Darley, Jabir Rashid **Aston** Becca Burgess, Jacob Carter **Livingstone** – Lenaiyah Powell

Minutes: Ms Harte

1. Working Groups

i) Uniform

Parliament has been given the task of researching school shorts. Becca and Lenaiyah contacted School Togs and Universal Uniform to ask about design and price, and have drafted an email to be sent to them.

Ms Harte to double check and forward.

ii) Litter

Millie and Becca to do awareness raising Assemblies in Week 4.

Litter Blitz will happen in Week 5. Other activities to happen in Week 5:

- a) games in Year 7/8 quad (plastic bottle knock down, plastic cup ping pong, guess the litter, bottle flip competition)
- b) Tutor group litter pick – pick as much as you can and then photograph what you have found. Prize for biggest pile.
- c) collecting for plastic waste sculpture – bring in clean litter/waste (no metal/sharp edges/broken glass). Waste sculpture to be built by each house. Competition to be judged by Miss Iannone, Miss King, Mr Poole, Mr Watkins. Competition to be open to 6 pupils from Y7-9 in each house.

2. Plastic Free initiative

Jacob, Jabir and Sean looked into paper cups to replace current plastic. Found various suppliers at different prices. Need to discuss with Mrs McDougall.

3. Eco Award

Priorities are Litter, Waste and Healthy Living.

MPs spoke to tutor groups but we have only received one application! Plan is to do an awareness raising assembly to Y7 and 8 and to recruit from there for next year.

4. Cheltenham Ladies College

Would like to make links with us around environmental issues. Parliament is in favour of this.

5. Link to School in Malawi

Parliament also interested in making links with the school in Malawi which Pittville will be visiting in 2020. Part of Eco Award is making links with schools in other countries.

Ms Harte to see how this might happen.

Next meeting THURSDAY 6 June 2019 – NB This is an additional meeting as so much to get on with!
