We are delighted to report improved results at Pittville this year. This summer 55% of our students achieved 5+ GCSE's at grades 9-4 with 48% achieving 5 GCSEs including English and Maths at grade 9-4 and 33% achieving 5+ GCSEs including English and Maths at grades 9-5. The school's overall Attainment 8 figure has risen again this year. English results have risen to 71% achieving a grade 4 and above, with 54% achieving grade 4 and above in Maths. We are pleased with the 9% increase in 9-5 grades in Maths. 49% of our students achieved grade 4 or above in English and Maths. There were some terrific individual results and we are delighted that we have seen an increase in the number of students achieving the top grades at both grades 9-7 and grades 9-5. We were pleased with the performance of our core subjects. We saw further improvements in a number of subjects: Business Studies, Drama, Food and Nutrition, History, Physical Education, Spanish and Combined Science. Many congratulations to all our students; we are delighted for all those students who have worked so hard to achieve the results they need to embark upon the next stage of their education.
