

Preparation for Life in Modern Britain

How do we prepare our young people for life in Modern Britain at Pittville School?

The government places responsibility on all schools to promote 'fundamental British values' of:

- democracy
- the rule of law
- individual liberty
- mutual respect and tolerance of those with different faiths and beliefs

At Pittville School we are dedicated to promoting values which ensure that our students develop a strong sense of social and moral responsibility. We prepare the students for life in Modern Britain because values such as individual liberty, democracy, the law, mutual respect and tolerance are embedded within the curriculum and the ethos at Pittville. In addition these values are promoted at various times throughout the school year.

1. Values

We promote these values in the following ways:

- Strong whole school ethos underpinned by the school motto of Learning to Achieve and **Our school vision statement:** *To be a school where every student is valued as an individual, feels part of the school community and leaves Pittville with a passion for life-long learning and the ability to achieve their potential.*
- Weekly assemblies reinforcing our ethos and key messages
- Ethos reinforced via inclusive practices, in particular engagement with the Pittville Principles: protected, polite, proud, positive, prepared, present, participation and designed to ensure all students are treated equitably and fairly in relation to behaviour management, rewards and sanctions
