Headteacher Richard Gilpin

30th August 2019

Dear Parents/Carers

Show My Homework – Years 8-11

This is just a brief reminder that your child should be logging on to Show My Homework at the beginning of this term to access all homework set and that there is a parent log-in available for each student so you can access their homework yourselves.

If you or your child have forgotten passwords, please go to the Show My Homework site, enter your username (email) and click on forgotten password. If you are still having difficulties or you haven't accessed the site before, your child's tutor will be able to issue you with a PIN code to get into your account. This PIN code will only be valid for two weeks, so it needs to be used straightaway.

The site is run by Show My Homework, so for any technical difficulties, you need to contact them – there are clear links to help on the website and they have always been very good about resolving problems quickly.

If you child cannot access the correct classes, we can rectify that in school. If you have any queries, please email achieve@pittville.gloucs.sch.uk and put SHOW MY HOMEWORK in the subject box and we will deal with any issues as soon as possible.

Kind regards

Karen Foster
