Headteacher Richard Gilpin

31st March 2020

Dear Parents/Carers

Year 10 Art, Spanish and Geography Fieldtrip Summer 2020

Firstly, I hope you are well and acclimatising to these changes in our lifestyles.

I am writing to inform you that I have rescheduled the Barcelona trip to Tuesday 6th October to Saturday 10th October. There will be no increase in costs and the itinerary should run the same. I am anticipating that it will be improbable for the trip to go ahead as planned in July and I am hoping that by October 2020 it will be possible for this school trip to go ahead. I truly hope so as it is something that your son/daughter can look forward to in these difficult times.

The flights are booked with EasyJet departing from Bristol and the hostel booked is one we have used in our previous visits called Casa Gracia.

I will of course continue to follow government advice and guidelines and will inform you in writing of any changes to this fieldtrip.

Thank you again for your support!

Yours sincerely

Mr F Litherland
Humanities Department
