Communication, Curriculum, Monitoring and Reporting

You said: Communication is poor, letters are not reaching home.

We did: Currently collecting **all** email addresses and investigating a SIMS add-on which will provide a texting facility in school.

You said: Curriculum booklets require bullet points, resource lists and website links.

We did: Pages will be updated and Faculties will amend their subject areas.

You said: More personalised comments, less information from tutors and more from subject teachers.

We did: Changes to KS3 Parents Evening, subject-specific feedback and positive comments.
