Headteacher Richard Gilpin

11th July 2022

Dear Parent,

Pittville School – Consultation on disposal of playing field land

Pittville School is seeking consent from the Secretary of State for Education to dispose of 21,100sqm of playing field land under section 77 of the School Standards and Framework Act 1998.

The land is located to the northeast of the school. Please see plan attached.

The school wishes to dispose of the playing field in order for the capital receipt raised to fund sporting and educational improvements at the school.

This letter is part of a period of public consultation with local residents, neighbouring landowners, staff, pupils, local primary schools, local Councils, Councillors, statutory consultees etc. This is designed to ensure that we can gather comments/ views regarding the disposal of this piece of land.

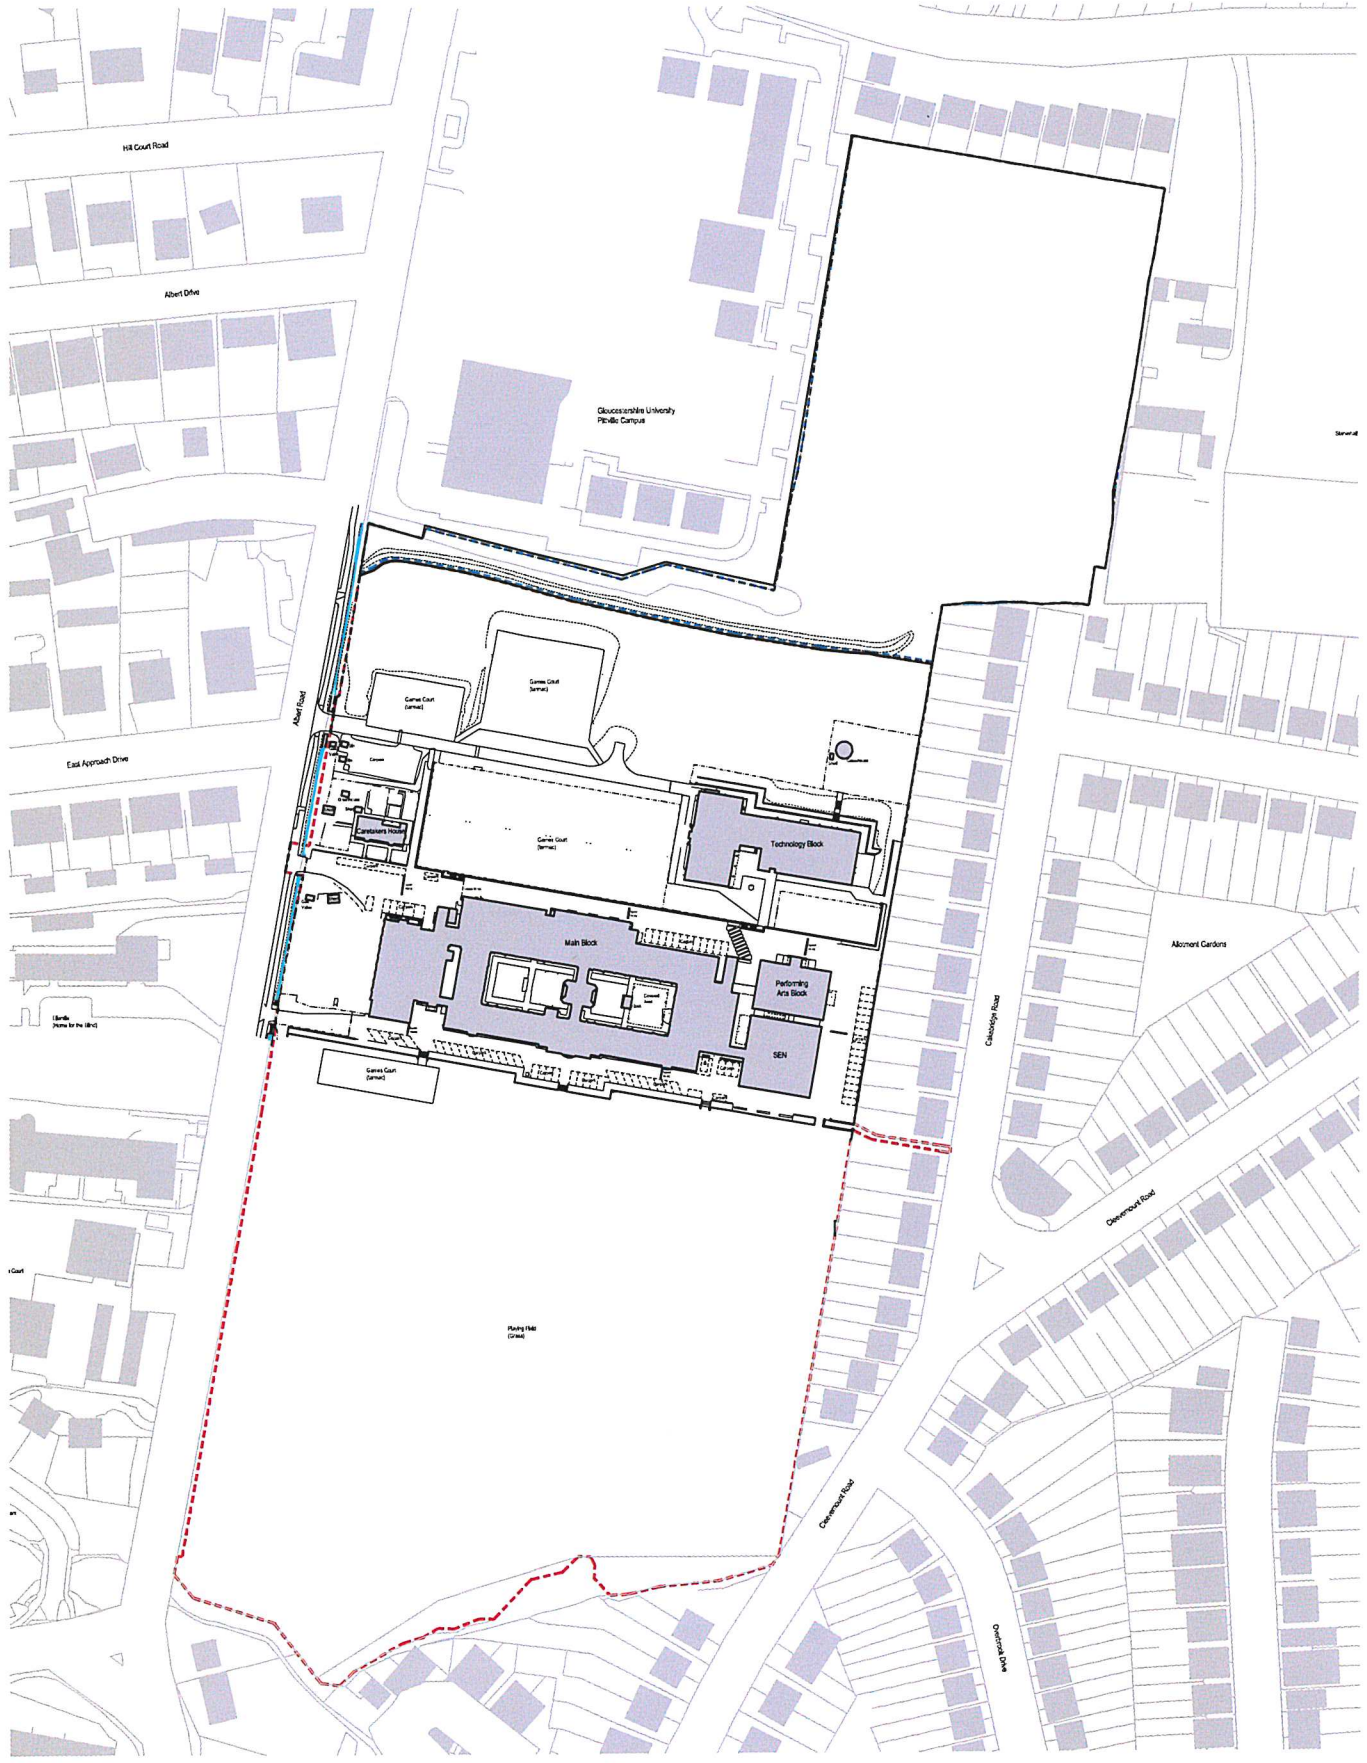

Links to further information regarding this consultation can be found on our school website pittville.gloucs.sch.uk or via our Facebook, Instagram or Twitter pages.

We would welcome any comments submitted to consultation@pittville.gloucs.sch.uk by 10am on 16th September 2022. All relevant comments will be submitted to the Department for Education as part of our application.

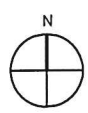

Yours sincerely

Mr R. Gilpin
Headteacher

- Key
- - - - Proposed Area to be retained by the School. Approx 70,650sqm
 - - - - Proposed Area related to Section 77. Approx. 20,100sqm
