

Maths Teacher

Candidates with maths as second subject will be considered.

Permanent Contract

September 2025

We are excited to be able to offer an opportunity for an inspiring teacher of mathematics to join a team of dedicated, reflective practitioners in the maths curriculum area. We are proud to say that our recent OFSTED inspection in 2025 cited that the school remains a 'Good' school, identifying how the school is an 'inclusive school' where "Pupils achieve highly, as reflected in published outcomes" and "Pupils are happy and feel safe in school. They behave well in lessons and around the school site." We value our staff highly and have established a truly supportive environment where staff training and wellbeing is at the heart of all we do.

Pittville Maths Department is a key partner of the GLOW Maths Hub and the successful candidate will be joining an experienced, successful and well-motivated team who have high expectations of all students they teach. An ability to work well in a team and demonstrate a dynamic, innovative and inspirational approach to teaching and learning is essential. We would welcome applications from candidates who can offer maths as second subject. Both ECTS and experienced colleagues are welcome to apply.

As a school we will commit to your future professional development. We offer a training program to all new staff as well as our own INSET program. We are part of a Teaching School Partnership which offers a range of development programs. This runs alongside the usual provision of courses, school visits, and local partnerships.

Please download and complete the application form and email to jobs@pittville.gloucs.sch.uk

Closing date for applications is 9.00am on Monday 2nd June 2025

Applications will be reviewed as they are received until the role is filled. Interviews will be confirmed post application.

Pittville School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo child protection screening appropriate to the post including checks with past employers, social media checks and the Disclosure and Barring Service. All offers of appointment are subject to satisfactory references and DBS clearance. It is an offence to apply for the role if you are barred from engaging in regulated activity with children.
